NLG GO Bungee Tool Lanyard

PRODUCT BRIEF / 101518

Product code: 101518

The NLG GO Bungee Tool Lanyard is a great lightweight entry-level tool lanyard for tradespeople.

The NLG GO Bungee Tool Lanyard has been developed for construction-related tasks and is a safe and economical tool lanyard.

Unlike other cheap tool lanyards, the NLG GO Bungee Lanyard is serial numbered for easy inspection, CE marked, third-party tested and certified for drop prevention.

It comes with a sturdy double action carabiner and cord loop so that it can attach easily to all common hand tools and has very low stretch resistance to make it comfortable for you to use all day.

INSPECTION

In addition to routine checks prior to each use, all equipment should undergo regular detailed inspection, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for thorough inspection.
