

TECHNICAL SPECIFICATION

Hardcap™ A1+ Essential Short Peak

Navy Blue / AAL000-002-100

DESCRIPTION

The HardCap A1+™ is another major innovation from JSP in head protection design. Designed to exceed the most recent standards, EN812:2012, years of thought and design iterations have been undertaken to develop a product that is unrivalled in both performance and style. Sleek and low profile, it's almost impossible to distinguish from a standard 'high street' baseball cap.

The unique angled adjuster designed to fit under the occipital bone at the rear of the skull means that one size really does fit all, particularly when combined with the castellated protective liner. The liner is removable, therefore the cap part is machine-washable for hygiene purposes. It has a terrytowel sweatband for added comfort.

Slip

Reflective Option
No

Ventilation
Yes

BSI Kitemark
Yes

Machine Washable At
Max 40°C

Product Weight
155g

Size
53-64cm

FEATURES

All Round Protection

The protective liner protects against impacts from the sides as well as from above. It is also removable so the outer cap is fully washable for hygiene and extended life cycle.

Ventilation

Extra holes in the liner and two mesh panels on the outer give added ventilation for coolness and comfort.

Fit & Comfort

Unique one-handed angled adjuster to quickly fit tightly and comfortably to most head sizes and shapes. Fits head sizes from 53 to 64cm.

Reflective Piping

All colour-ways have subtle reflective piping for added visibility safety.

Hi-Visibility

Available in hi-visibility orange and yellow. Great for low light environments.

Peak Options

Available in three peak sizes, micro (2.5cm), short (5cm) and long (7cm).

JSP Logo Express®

Strengthen your corporate identity by applying a company logo on a range of our safety helmets. Minimum order quantities and set-up charges apply.
