Juba Personal Protective Equipment S.L.

EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

JUBA® 5200, ambidextrous seamless machine knitted two layer gloves with a terry knitted Kevlar outer glove with the "loops out" with an attached cotton inner lining, which are available in three nominal sizes.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the relevant requirements of the harmonized standards:
EN 388:2003 for a performance classification of 2,4,4,3;
EN 407:2004 for class 4,2,4,1,X,X.

The manufacturer's information notice (KEVLAR SERIES 5200), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file specification: TF.GS.PTK72-231/40,
issue 1 with supplement.
