

CERTIFICATE No. 20/2389/00/0161

PPE TYPE PROTECTIVE FACESHIELD
REF: AFP 25

EU type certificate

AITEX, Notified Body No. 0161 for the application of Regulation (EU) 2016/425 of the European Parliament and of the Council of 9th March 2016, in which the essential health and safety requirements that Personal Protective Equipment (PPE) must comply with.

CERTIFIES The Company:

JSP Limited
Worsham Mill, Minster Lovell
Witney, Oxford, OX29 0TA
United Kingdom

As a manufacturer

CERTIFICATE No. 20/2389/00/0161

Has obtained EU TYPE EXAMINATION in compliance with what is stated in Regulation (EU) 2016/425 and in agreement with the applicable test procedures and technical specifications

Destined for eye and face protection, according to the following standard/s:

- EN 166:2001 'Personal eye-protection. Specifications 'Optical class 1, Increased strength (S), Protection against high-speed particles (medium energy impact) (B), Resistance to Surface Damage by Fine Particles (K) and Protection against Short Circuit Electric Arc (8).
- EN 170:2002 'Personal eye-protection. Ultraviolet filters. Transmittance requirements and recommended use; Filter category 2C-2.
- GS-ET 29:2011 'Supplementary requirements for the testing and certification of face shields for electrical works' Electric Arc, Box Test, Class 2 and visible light transmittance (VLT), class 2.

Having achieved the performance requirements specified in Technical Test Report No. **2020EC0059UE** and the PPE's Technical Documentation.

Description of the PPE:

-The faceshield is an eye protector that in addition to protecting the eyes completely covers the face providing a wider protection. The screen is used coupled to a safety helmet, as a coupling device, through a support.

The materials that form the PPE, are described in the technical report nº 2020EC0059UE.

The PPE is available with the following variants:

- The visor can be mounted with clips SF5000, SF4000, SF4000B, SF3000PS, SF3000WBS OR SF3000.
- The helmet is moulded from ABS or HDPE.

It shall be the manufacturer's responsibility to provide specific information of this certificate and the tested levels of protection.

The CAT. III PPE shall only be used in conjunction with one of the conformity assessment procedures according to module C2 or module D described in article 19 letter c) of the Regulation (EU) 2016/425.
